

Mrs E's (ie Mum's) Oh So

Easy Chocolate Cake

Pre heat oven to 160 C

Ingredients

1 cup Self Raising flour

½ cup sugar

4 tablespoons cocoa

120 gm melted butter

½ cup of milk or water or combo of both

2 eggs

Method

Mix all ingredients together well using a whisk.

Pour into a well greased ring tin.

Cook for 25minutes, testing with a skewer, if it comes out clean cake is cooked.

NB

I use this recipe for cupcakes too.

Also if you want to make it in a conventional cake tin allow more cooking time.
